**\*Note:- 1)** In respect of projects under S.N. 2, it is to mention here that for selection of developer, RECTPCL incorporates project specific SPV and follow two stage bidding process i.e. RFQ & RFP. The cost estimation is provided by CEA to RECTPCL and after the selection of developer the SPV is transferred to selected bidder for development of project on Build, Own, Operate & Maintain basis and role of RECTPCL ceases thereafter. The bidder is selected based on the quoted transmission charges per annum for a period of 35 years. The physical progress of the project is monitored by CEA/ MoP. Further, it may be noted that RECTPCL is not procuring any services/ material and merely acting as Bid Process Coordinator for selection of developer for inter-State transmission projects notified/ allocated by MoP/ CEA.

2) LoI for NRSS -XXXVI project has been issued and the transfer of SPV is under way.
